

Discussion About Fridays and Communication

Jul 15, 2026 · Shared with Braindump

Summary:

- The speaker mentioned that they would be away on Friday.
- They expressed frustration about people not listening to them on Fridays.

Content:

That's what I said when I said to you on that day. I told you that I'd be away, and with Friday, Friday, Friday, yeah, Friday's, Friday's, that's what I'm talking about on Friday. But no one listens on Fridays. No one listens on Friday.
